

IELTS with Kee - Jun 7

🎯 考点线索 (Cues)	📝 笔记与纪要全解析 (Notes)
Part 2 结构与引入 <i>(Structure & Intro)</i>	🧠 课堂内容还原 (Class Content) - 在 Part 2 开头介绍背景信息时，不要仅仅机械地罗列要素，而要使用引导语块自然切入。 - 讲述过去去过的地方时，可以融合时间、地点与同行人物，增加语流的节奏感，避免句子过于干瘪。 [案例]：First of all, let me tell you more about where the place is. [笔记补充]：使用 "When it comes to..." 和 "In terms of..." 来自然过渡不同的话题提示点。 🌱 必备语块 (B2 Chunks) - First of all, let me tell you more about... - 首先，让我告诉你更多关于.....的信息 - When it comes to... - 当谈到.....的时候 - In terms of... - 在.....方面 💡 精髓解释 (Insight) 开场白就像是给考官递交一份“节目单”，用大气的短语引入，能让你接下来的陈述显得胸有成竹。
高级风景词汇替换 <i>(Scenery/Views)</i>	🧠 课堂内容还原 (Class Content) - 描述美丽的风景时，不要一直重复 "beautiful"，可以升级为更高级的形容词。 "Landscape" 通常指自然风光（如山水），"views" 更加通用，而 "surroundings" 还可以强调周围的整体环境与氛围（vibe）。 [案例]：The area is very scenic, and the surrounding landscape is breathtaking. [笔记补充]："breathtaking", "spectacular", "gorgeous", "marvelous" 是描述美景的核心高频词汇群。 🌱 必备语块 (B2 Chunks) - breathtaking - 美不胜收的；令人惊叹的 - spectacular - 壮观的 - picturesque / scenic - 风景如画的 - the surrounding landscape - 周围的自然景色 💡 精髓解释 (Insight) 用具体的、有画面感的形容词替代空泛的“好看”，让听众脑海中自动生成一张高清风景壁纸。
宁静氛围的烘托 <i>(Peaceful Vibe)</i>	🧠 课堂内容还原 (Class Content) - 解释为什么喜欢某个地方时，常常因为那里人迹罕至且让人放松。 - 积累表达“安静”和“田园风光”的同义词组，丰富语境。

	• [案例]：It's usually empty as few people go there. That makes it very peaceful and somewhere to escape from the world. • [笔记补充]：可以将 "quiet" 替换为 "a tranquil place" 或 "an idyllic place"。 🌿 必备语块 (B2 Chunks) • a tranquil / an idyllic place - 宁静的 / 田园诗般的地方 • somewhere to escape from the world - 一个逃离尘世喧嚣的地方 • a place to relax - 放松的好去处
生动叙事与情绪 <i>(Lively Narrative)</i>	🧠 课堂内容还原 (Class Content) • 在讲述故事时，使用引用对方话语或描述当场反应的结构，会让内容更生动（活人感）。 • ⚠️ [常见错误]：不要只会用 "He said / I said"，多用 "I was like..."。 • [案例]：The other day, me and my friends, we were in a quiet restaurant. And all of a sudden, for some reasons unknown, they started to have a heated discussion. And I was like, "Hey! Don't make a scene! People are watching!" • [笔记补充]："heated discussion" 表示白热化的激烈讨论，而 "make a scene" 表示在公众场合大吵大闹、出洋相。 🌿 必备语块 (B2 Chunks) • have a heated discussion - 展开激烈的讨论 • all of a sudden - 突然间 • make a scene - 当众大吵大闹 / 出洋相 • And I was like... - 我当时就说/想.....
逻辑骨架与拖延 <i>(Logic & Stalling)</i>	🧠 课堂内容还原 (Class Content) • Part 2 最后一部分通常是解释原因 (Why you like it)。推荐使用“总分罗列”结构，条理清晰。 • 如果考试时大脑一片空白，千万不要和大眼瞪小眼，立刻使用蓝绿话术（拖延语块）争取思考时间。 • [案例]：Well, there are a couple of main reasons. The first one being the surrounding landscape is breathtaking. And another reason is that it is usually empty... So as a result, it is very peaceful. • [笔记补充]：当想不起具体内容时，大胆向考官承认 "I'm drawing a blank here" 或 "I can't think of any specific ones"。 🌿 必备语块 (B2 Chunks) • There are a couple of main reasons - 有几个主要原因 • The first one being... - 第一个原因是..... • And another reason is that... - 另一个原因是..... • So as a result... - 因此 / 结果是..... 🦋 救命拖延词 (Stalling) • I'm drawing a blank here. - [适用场景：大脑突然短路、忘词时自我解嘲] • So basically what I mean is... - [适用场景：前面说乱了，需要重新总结归纳，或者拖延时间想下一个点]

	• But right now I can't think of any specific ones. - [适用场景：需要举例但暂时想不起来具体例子时]
谈论影响与目标 (Impact & Goals)	 课堂内容还原 (Class Content) • 在描述某个应用 (App)、动漫或人物如何影响生活时，关注“改变”与“野心”。 • 谈及自身目标时，表达要有标准和拼搏的态度。 • [案例]：I'd like to explain how this anime might make a difference in people's lives. • [笔记补充]：用 "make a difference" 替代普通的 "change"，显得更有深度。  必备语块 (B2 Chunks) • make a difference - 产生积极的影响 / 改变生活 • strive for the best - 为做到最好而努力拼搏 • go by my own standard - 遵循我自己的标准
