

IELTS with Kee - May 7

 考点线索 (Cues)	 笔记与纪要全解析 (Notes)
[听力匹配题策略] Self-Intro & Paraphrase	 课堂内容还原 (Class Content) • 定位点预判：做人名/职责匹配题时，千万注意说话人可能会先介绍自己的名字（如 "me", "I'm..."），然后在后续内容中重复名字并抛出答案。 • 同义替换 (Paraphrase)：听力考试高度依赖同义替换，例如题干中的 timetables 在听力中会被替换为 who does what and how long 或 schedule。  必备语块 (B2 Chunks) • as I said - 就像我之前说的 例句：So as I said, I'm Joy Parkins and I decide who does what during the day. • like I mentioned before / as I have mentioned - 正如我之前提到的 例句：Like I mentioned before, the schedule is already set.  救命拖延词 (Stalling) • When it comes to... - 当提及...时 [用于引出新的人名或话题] 例句：When it comes to adults, the rules are slightly different. • Then there's... - 接下来还有... [用于枚举地图上的建筑或介绍列表中的下一个人] 例句：Then there's Dexter Wills. He's the person you need to see...  精髓解释 (Insight) 匹配题本质上就是“换皮游戏”，你听到的和卷面上看到的词大概率长得不一样，听到关键人名后，竖起耳朵抓核心动词和名词的替换表达！
[高阶句型与比较] Wh- Clauses & As...As	 课堂内容还原 (Class Content) • Wh- Non-phrase (特殊疑问词引导的名词性从句)：听力中极常用来表示复杂的动作或职责。 • 比较结构：as...as possible 结构在连读时容易被弱读，需要精准捕捉其前后的实义词。  必备语块 (B2 Chunks) • who does what - 谁做了什么 (分配工作) 例句：I decide who does what during the day. • how long they work for - 他们工作多久 例句：I decide how long they work for. • as ... as possible - 尽可能地... 例句：I'll be trying to get you to work with as many different people in the kitchen as possible. • not as ... as - 不如...那样... 例句：Tea is not as tasty as coffee.

	💡 精髓解释 (Insight) 宾语从句不需要死记语法书，把它当成一个“大名词”包袱直接扔在动词后面即可。
[核心动词辨析] Try Series & Causatives	💡 课堂内容还原 (Class Content) • Try 的进阶用法： - try to do = try my best to make it happen (发奋图强/努力去达成某事)。 - try doing = attempt to do (随便尝试一下/试探性地做某事)。 • 使役动词 (Causative Verbs) 的情感色彩差异： - get/make you to do：带有强制性，“使得/逼迫某人做某事”。 - let you do：偏向放任，“随你去”。 - allow you to do：偏向严格管理下的“允许”。 ✳️ 必备语块 (B2 Chunks) • try to do - 努力做某事 例句：I'll be trying to get you to work with different people. • get sb to do sth - 使得某人做某事 例句：My mom got me to play on my phone once an hour. • allow sb to do sth - 允许某人做某事 例句：My mom allows me to play on my phone three times a day.
[时态的底层逻辑] 16 Tenses Matrix	💡 课堂内容还原 (Class Content) • 时态构成的真相：英语共有 16 种时态，本质是“4个基础时态” × “4个时间节点（时光机）”。 - 4个基础时态：一般时 (do/习惯)、进行时 (be doing/强调动作过程本身)、完成时 (have done/强调结果与影响)、完成进行时 (have been doing/强调动作的持续状态+对现在的结果影响)。 - 4个时间节点：过去、现在、将来、过去将来。 • ⚠️ 核心误区纠正：不要把中文的思维套入英文。中文靠“了”等附着词表过去，英文靠动词变形。时态的选择完全取决于说话人想要强调的表意中心。 ✳️ 必备语块 (B2 Chunks) • I'll be trying to do... - 将来我将努力去... (将来进行时) 例句：I'll be trying to get you to work with as many people as possible. • have been doing - 一直在做... (完成进行时) 例句：I have been learning English for about six years. • failed to find some time - 没能抽出时间 (过去时描述事实) 例句：I was trying to learn French five years ago, but I failed to find some time. • master a language - 精通一门语言 例句：I haven't mastered it yet. 💡 精髓解释 (Insight) 时态就是你的“感情放大器”：想强调“我一直在拼命做”，就加 ing；想强调“我已经搞定了”，就用 have done；想带入场景，就坐上“过去/将来”的时光机。

[职场与生活场景词] Workplace & Emergency	 课堂内容还原 (Class Content) • 人员与福利：staff 是集合名词，等同于 employees；老板是 employer。员工福利常用 staff discounts (等于 be on sale)。 • 库存与突发事件：food stocks 指食物储备，与其相关的词还有 storage。打破东西是动词词组 break a plate 或 smash a plate，其名词形式为 breakage (损坏事件)。 •  事故区分：accident 多指大事故，而 incident 多指小插曲、小意外 (如切到手指)。  必备语块 (B2 Chunks) • on the job / on the go - 在工作中 / 边走边学 (忙碌中进行) 例句：You learn while you're on the job. • I'm on it! - 我在跟进了！/ 我立马去办！ 例句：Mom: Clean your room! Me: I'm on it! • report to sb - 向某人报告 例句：If you injure yourself at all, you must report to him. • appropriate treatment - 适当的治疗/处理 例句：He'll make sure the incident is recorded and you get the appropriate treatment. • stores of perishables - 易腐物品/生鲜食品库存 例句：He takes care of all the stores of perishables. • get low in... - ...库存不足 例句：If you notice we're getting low in flour, let him know. • put in an order - 下订单 例句：Let him know so he can put in an order.
[地图题通关密码] Map Navigation	 课堂内容还原 (Class Content) • 破题关键：永远从“起点 (start from)”开始，手指或笔尖必须跟着听力音频的节奏在图上游走。 • 路口与道路描述：十字路口、丁字路口的高频词是解题生命线。遇到小路岔开时要注意 turning off。 •  听音盲区：across the road from (在马路对面)；go from 不是“通过”，而是“从...出发”。  必备语块 (B2 Chunks) • crossing / intersection / junction / crossroad - 十字路口 / 交汇处 例句：It's on City Road near the junction with Crawley Road. • leads to... / leads off... - 通向... / 从...延伸出去 例句：It's next to the footpath that leads to the public gardens. • go from... up through... east along... - 从...出发，向上穿过...，沿...向东走 例句：You need to go from Crawley Road up through Station Square and east along Hill Road. • winding road / meandering road - 蜿蜒崎岖的小路 例句：Walk until you get to a small winding road turning off there.

	💡 精髓解释 (Insight) 做地图题就是“脑内代入实景开车”，听懂上下左右和马路牙子的交叉点，答案就直接砸脸上了。
[语音连读与情绪表达] Pronunciation & Wind	🗣️ 课堂内容还原 (Class Content) • 连读与弱读音变： - how long they work for 听起来像 "lonely", 是因为 they 被弱读成了 /ði/, 前边的 long 连读过来产生了错觉。 • 元音辨析： Hill (短 i) - Hell (短 e, 嘴角微开) - Heel/Heal (长 ea, 嘴角咧到最大) - Hurl (卷舌)。 • Wind 词族的妙用 (读音为 /waɪnd/)：这组词生动体现了人的情绪张力，考试或高压状态下发条紧绷，考完试则放松下来。 ✂️ 必备语块 (B2 Chunks) • unwind / wind down - 放松下来 例句：We need to unwind down after school. • let my hair down - 彻底放松 (原意把头发散下来) 例句：I just want to let my hair down this weekend. • wind sb up / be wound up - 让某人精神高度紧张 / 紧绷的 例句：Before the exam, everybody is all wound up.
